JAMIAT YOUTH CLUB

BHARAT SCOUT & GUIDE

MISSION STATEMENT

Situation

Youth organisations are mostly ideologically motivated. Their main motives are either religion or politics. As a result, they are soft target for exploitation by vested interest groups.

Therefore their energy is used for pursuing a political agenda instead of national building.

Muslim youth organisations are more prone to get misled and misguided.

Jamiat Ulama-i-Hind felt the need to organise the Muslim youth on **the sole principle of service to the humanity and the country.**

After of research, we chose Bharat Scouts and Guides as a model for Jamiat Youth Club because of its core principles and cohesion with our national aspirations.
